DESCRIPTION

It's a range of modular batching plants projected for the concrete industrial precast factories.

The series represents the synthesis of 30 years experience of S.C.M.2 and his technical staff employed in the projecting and realization of concrete Precast Batching Plants.

Construction features:

- Strong building with hot galvanized carpentry.
- Hoppers in sheet metal with smooth interior and exterior heavily reinforced.
- Big storage capacities.
- Dosing system volume or by weight.
- Accuracy in the dosages through with control electronic systems.

S.C.M. 2 S.r.l.
